

2nd Annual Golden Harvest Parade & Festival

Greener Tomorrow for Youth **Webinars**

Clean Environment: Clean up for a clean environment

Oct. 17, 7:00pm - 8:00pm

<https://tinyurl.com/bde42me9>

Moderator: Amy Yang, MS

General Planer, City of Sacramento Community Development Department. Consulting on general plans around California, leading the effort to collect public feedback on the Draft Sacramento 2040 General Plan.

Keynote Speaker: Dr. Scarlett X. Zhai

Senior Hazardous Substance Engineer at the California Department of Toxic Substance Control in Cypress, CA. She led the efforts of numerous deliverables on feasibility studies and remedial action plans, where comprehensive technology evaluation and selection were conducted.

We strive to remediate the environment from previous damages, to ensure safety of Californians and protect our environmental resources.

Panelist: Dr. Heath J. Carney

Principal Sustainable Transportation Solutions. Heath Carney has over 40 years of sustainability experience. His diverse background combines a deep real world understanding with academic rigor based on solid facts and a scientific process.
